Community Relations In Schools
During our ‘Celebrating Diversity’ Project,

WE ARE LEARNING TO:

• Communicate and co-operate with people we know and people we have newly met.

• Find out about other people in our class and community.

• Talk about what makes us similar to, and different from each other.

• Explore ‘respect’, ‘feelings’, ‘identity’ and ‘culture’.

• Begin to explore festivals and celebrations from around the World.

• Have fun and learn new games and songs!
